

From our Principal

Mrs Janelle Heffernan

Dear Families,

Looking back, I wonder where this first term has gone, especially as I look at our Kindergarten children who have been at school for such a short time and yet are now so much a part of our school family. All students have been involved in so many activities both in and outside of the classroom, and I guess the old saying 'time flies quickly when you're having fun' comes instantly to mind. As we come to the end of first term, we can look back on all the positive things which we have achieved as a school community. Together we have experienced academic, cultural, sporting and spiritual success in a climate where each person is respected and valued for the contribution which they make, no matter how small or how large!

I thank all members of our school community for the contribution each of you has made to ensure our school continues to be a place of quality learning in a safe and happy environment. We look forward to our holidays at the end of next week as an opportunity to rest, relax and recharge in preparation for the coming term and we ask that God stays close to each and every one of us as we enjoy this family time together. I hope that everyone has a very safe and happy holiday and I look forward to a very productive and positive return to school on Monday, 29th April.

In a couple of weeks, we celebrate the great feast of Easter – the most important time in the Church's calendar. Holy week begins with the celebration of Palm Sunday, the beginning of our journey to Easter. Holy Week is most definitely a very sacred time of the year, for it is now that we will commemorate and remember the last week of Jesus' life on this earth. These are the days leading up to the great Easter Feast. The Lenten season of sacrifice and self-denial has come to an end. In Holy Week, the greatest focus is the Passion (suffering) and Resurrection of Jesus Christ and the events which lead up to it. Historical documents tell us, that as early as the fourth century, the Church celebrated this "Great Week" with a feeling of profound sanctity. It begins with Palm Sunday, which marks Jesus' triumphant entry into Jerusalem.

The central feature of the service to this day, as it was in the earliest times, is the procession of palms. The palms are blessed and are then borne in procession to the church, where an entry is made with a certain amount of ceremony, after which the Mass is celebrated. The other notable and very ancient feature of the present Palm Sunday service is the reading of the Gospel of the Passion by three readers. The Chrism Mass at which the Holy oils are blessed also takes place on the Monday of Holy Week. Especially important for Catholics is the Easter Triduum. This is the three days just before Easter Sunday. On Holy Thursday, we re-enact the Lord's Last Supper, which He shared with His apostles on the night He was betrayed and arrested. This is one of the most beautiful liturgies of the entire liturgical year. On Good Friday, the day of the crucifixion and death of our Lord, we have the veneration of the Cross. A service is held at three o'clock in the afternoon (the hour He is believed to have died). We go forward and kiss the Cross in order to show honour and respect for Christ's sacrifice for our sake. There is no consecration of the Eucharist on this day, and the Communion we receive will be from the night before, which has been reserved in the tabernacle. The Holy Saturday Mass begins after sundown as the crowd gathers. In the darkness a new fire is kindled and blessed by the Bishop or priest. This new fire symbolises the light of salvation and hope that God brought into the world through Christ's Resurrection, dispelling the darkness of sin and death. From this fire is lit the Paschal candle, symbolising the Light of Christ. This Paschal candle will be used throughout the season of Easter, remaining in the sanctuary of the Church or near the Lectern, and used throughout the coming year at baptisms and funerals, reminding all that that Christ is "light and life." Those who engage themselves wholeheartedly in living the entire paschal cycle (Lent, Triduum and Easter's Fifty Days) discover that it can change them forever. This is especially so of the Triduum which, standing at the heart of the Easter season, is an intense immersion into the mystery of what it is to be Catholic. During these days, we suffer with Christ so that we might rise with Him at His glorious Resurrection.

ENROLLING NOW FOR 2020

Enrolments are now open for Kindergarten 2020. Enrolment information and forms are available on the [School Website](#) or call in to the School Office to collect an Enrolment Package. Please inform your friends and families if they have a child ready to commence school next year. We are also accepting enrolments for Years 1 - 6, 2020.

Applications should be lodged as soon as possible to ensure placement.

I recently read an article on Easter by Fr Jim McDermott SJ and I have included this excerpt for your reflection;

Jesus is a man, God become flesh, who came among us because he saw how much we were in need, how hungry and confused and sad we were, and wanted to be the light that would shine in our darkness, illuminate the Lord who loves us, and help us on our way.

And his death really came from that commitment. It was just as true then as it is today: If you really want to scare people, tell them that you love them. His commitment threatened both individuals great and small, and the overall religious and political systems, which marginalised some to 'protect' the faith or state. And so of course some wanted him dead.

Jesus could have run away or stopped preaching. But that would have meant walking away from the people, those who knew they were hungry for hope and kindness and looked to him for help, and also those who were just as hungry and didn't know it, whose pain was pushed back behind their rage and grief and condemnation.

Walking away: that's not who God is. So Jesus kept on going, knowing it probably would not end well for him. And boy was that an understatement.

Faithfulness – for me, that's the key that unlocks the story of our salvation. The life and death and resurrection of Jesus is a story of God demonstrating, not some sort of weird ancient murder logic, but a dogged unrelenting faithfulness to us. Jesus was so faithful to us that he not only came down to earth to be with us, he refused to run away when threatened. And when he died, God the Father raised him up, demonstrating in one final and miraculous way just how committed to us he is.

It's a package deal, Jesus' life, crucifixion and resurrection. Together they express one truth, that God does not give up on us, ever. That he will be faithful to us to the very end – and even after that.

They call it Good News for a very good reason. And I guess Good Friday, too.

Holy Week is a time to clear our schedules of unnecessary activities. Our minds and hearts should be fixed on Jesus and what He did for us. Let us bear the Cross so that we may be worthy of wearing the crown He wore. I encourage you to become involved in the Easter celebrations with your families.

Kindergarten Enrolments 2020

Parents of children who are ready to start school in 2020 are asked to fill out an Enrolment Application and return it to the School Office so that we can begin the enrolment process. Please pass on this message to family and friends who are intending to enrol children in Kinder next year. Children must turn five by 31st July 2019 to be enrolled in Diocesan schools.

Congratulations

Congratulations to Mr Whitney on an excellent report from the auditors last week. WCA Chartered Accountants spent a day completing our annual audit and Warren was congratulated on his very efficient and effective upkeep and maintenance of school finances and financial records. We thank Warren for all his hard work and effort in ensuring that our budget and financial affairs are in order.

Sacrament of Reconciliation

This sacrament will be celebrated in the Cathedral next Wednesday, 10th April, at 6:00pm Please keep our students and their families in your prayers as they prepare for this important time in their faith journey. We thank our teachers;

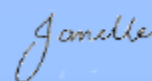

Mrs Kane, Mrs Winkler-Dunn and Mr Taylor for preparing our students and Mr Hatchman for co-ordinating the Sacramental program for us.

ANZAC Day

ANZAC Day this year is on the Thursday before students return back to school after the holidays. The RSL Lismore Sub Branch has again invited us to participate in the Commemorative March on Thursday, 25th April 2019. I ask parents to support this very important day in our nation's history. All students, Kinder to Year 6, are asked to meet our teachers in the Clyde Campbell Car Park at 8:30am. Students need to wear their school uniform and school hat. For those interested, the Dawn Service will commence at 5:00am and there will be a special Mass at 7:45am in the Cathedral.

Professional Development Day Reminders

Staff will be involved in Professional Development Day on Friday, 12th April. There will be no school for students on these days. Thank you in anticipation of your support on these days.

From our Assistant Principal

Miss Amanda Egan

NAPLAN

All students in Year Three and Year Five have now completed the NAPLAN Practice Test. The aim of this test was to allow the students to become familiar with how NAPLAN Online will work and what it will look like. It was also important for staff to be confident with the technology that students will be using for NAPLAN Online and to have the opportunity to practise logistics associated with online assessments so that the actual NAPLAN tests are stress free.

As previously advertised the NAPLAN Online assessment window starts on Tuesday 14th May and finishes on Friday 24th May 2019.

Test	Duration	Order	Details
Writing	Year Three: 40 mins Year Five: 40 mins	To be completed in the first two days	Year Three students do a paper-based Writing test on day one
Reading	Year Three: 45 mins Year Five: 50 mins	To be completed after the Writing test	Students read a range of informative, imaginative and persuasive texts
Conventions of Language	Year Three: 45 mins Year Five: 45 mins	To be completed after the Reading test	This test includes Spelling, Grammar and Punctuation
Numeracy	Year Three: 45 mins Year Five: 50 mins	To be completed after the Conventions of Language test	This test includes numbers and Algebra; measurement and Geometry; and statistics and probability

What if my child is absent from school on assessment days?

Where possible, schools may arrange for individual students who are absent at the time of testing to complete missed tests at another time during the school's test schedule. Individual students are not permitted to sit NAPLAN online tests after Friday 24th May 2019.

REMINDER - International Competitions and Assessments for Schools (ICAS) 2019

The closing date for ICAS entries is this **Friday 5th April**. If you would like your child to sit any of the ICAS tests please return the note by Friday 5th April. Notes are available from the office. Please note: **no entries will be accepted after this date.**

Food Allergy - BE AWARE

MEDICAL ALERT

We have a number of students at school who have severe allergies. Therefore, we stress the importance of ensuring that children **do not share food** and that **all lunch boxes are labelled with your child's name**. Teachers often remind students in their class to not share food and to wash their hands before and after eating. We ask parents to assist by reinforcing this at home.

Lunch Boxes

Please ensure that your child has adequate food to get them through the day. Ideally lots of fresh fruit and vegies e.g. carrot, celery, fruit. Please keep your packaging to a minim to save the planet. Recently several children have been complaining of not having enough food for the day.

From our Assistant Principal - Mission

Mr Danny Hatchman

MISSION MATTERS

In the final week, Year 5 students will lead the whole school in a opportunity to physically walk a number of important **Stations of the Cross**. Teachers will lead their class from Station to Station where Yr 5 students will act out and lead the group in prayer using two scripts - one appropriate for K-2 and the other for Yrs 3-6. Thanks to our Youth Ministry Officer, Tayla Bennett, and the Year 5 students for preparing this event for the whole school.

The final Station being the burial of Jesus Christ, I always think this is an unfortunate place to conclude if children think this is the end of the story. **Please take them to the Easter celebrations so that at the least they can hear the wonderful ending!**

As we go through Lent and into the Easter period, families can use these times to teach and model for their children many valuable lessons. Ash Wednesday and Lent allow families to speak about failure and the healthy response of saying Sorry to others and to Jesus. On Palm Sunday, they can focus on the lesson of **humility** as they hear about Jesus, King of the Jews, arriving on a donkey. The ordeal of his trial and painful death can be used to teach children the importance of **retaining hope on Earth and hope in the message of eternal life** when we celebrate with the whole Church the glory of Resurrection Sunday.

A reminder about our **Parent/Carer Information session** with the Bishop tomorrow evening Wednesday April 3 from 6-7pm in the School Hall. (Parents and carers only - children are not required to attend).

Thank you!! A grand total of \$690 was raised by our **St Patrick's Green Day fundraising effort** to support the **Presentation Sisters in Papua New Guinea**. If you would like to know more about this worthy cause an information sheet may be downloaded from <http://tiny.cc/vv0m4y>

Thank you for allowing your children to gather sponsors for our **Cross Country for Caritas - in support of Project Compassion**. Caritas is the international aid and development organisation of the Catholic Church in Australia. All monies should be in by this Friday.

JOLT IS BACK! Thanks to our Youth Ministry Officer, Tayla Bennett, Jesus Over Lunch Time is once more on the school agenda at lunch time! Tayla led our senior students active with lots of fun at lunch time followed up by a short discussion about the virtues modelled by Jesus Christ. It's important our students enjoy an opportunity to be active, enjoy each other's company and to have these linked closely with the message of how Jesus wants us to have a fulfilled life! John 10:10

Family School Partnership and listening to the voices of students: We are always interested in the views of our parent community and last week we were able to hold a **Community Conversation**. All parents in the school were invited to attend and on the day we had a large number of parents, teachers, Catholic Schools Office Staff and a number of our students from Years 4-6. The session lasted until Recess and there were many positive outcomes. **Three important outcomes** were: positive relationships built between everyone, agreement around what was valued about school goals and third, the importance of listening to the voice of our students.

As a result of this success, we will hold another Community Conversation during Term 2 and our **Wellbeing Team** is involved at the present moment in discussing how we can **best listen to the voice of students** in making our school an authentic place of learning within a Catholic environment - more about this in Term 2. I am happy to speak with anyone who is interested in hearing about the process and these outcomes. Once more, a thank you to the parents who were able to attend and to our students who contributed much wisdom to the conversation.

St Carthage's Primary School Cross Country

The St Carthage's Cross Country was held on Friday 22nd March. Despite the humidity, the students approached the event with outstanding enthusiasm, participation and house spirit. The success of the Cross Country is not possible without the support of the students, staff and school community. Thank you to all parents as well as family and community members who were able to come and support the students on the day. On behalf of the staff and students at St Carthage's I would like to extend my appreciation to the parents and family members who volunteered on the day. We are extremely grateful for your time and support!

The top 5 students from each race will form the St Carthage's Cross Country Squad. These students will compete at the Richmond Zone Cross Country in Term 2.

NSWCPS Swimming Carnival

On Wednesday 27th March, 7 students from St Carthage's competed at the NSW Catholic Primary Schools Swimming Carnival at Sydney Olympic Park Aquatic Centre.

"We all had a great opportunity in Sydney. It is an experience that will stay with us for quite some time and remind us of something we have achieved. For some of us, we marked it off the bucket list. Everyone had a great time competing," Alanna Bromhead.

Congratulations Alanna, Darcy, Michael, Sienna, Lilly, Macy and William. Your achievements in the pool have continued to astound us since our school swimming trials last December. You should be extremely proud of the way you have conducted yourselves both in and out of the pool.

Charlie Marson made a thoughtful contribution to the drought relief appeal late last year. Charlie with the assistance of his grandmother Chris Marson put together a food hamper for drought relief, which was raffled off at the NSW Muzzle Loading titles which were held at the local Northern Rivers Branch of the SSAA Sporting Shooters Association of Australia in Casino.

Charlie's idea was that instead of a round bale of hay he would rather put the money earned from the raffle into the cost of salt licks which are smaller in size to a carton of beer although they would weigh more. This is something that is not often considered when feeding livestock dry fodder like bales of hay. The other advantage is that each block costs \$25.00 each and depending on the money raised then he would be able to help out a few farmers instead of a round bale of hay costing around \$150.00. There were around 30-40 competitors and volunteers all up for the two days, with Charlie actively engaging with them all to let them know of the dreadful plight which is currently ravishing our beautiful state of NSW. Competitors travelled from as far Bega, Narrabri and Longreach. Charlie was able to raise \$125.00 for the drought relief which was a fantastic outcome from such a small group. The winner of the hamper was from one of the volunteers, Mr John Gillis. He was extremely happy as were we for his help over the weekend. The farmers who were to receive the salt blocks live in the Coonamble area of the state which has been crippled by one of our histories longest dry spells.

A huge thank you goes to Charlie's grandparents, Bob and Chris Marson who donated the grocery hamper to help in the running of Charles Drought Relief raffle. Being parents to this little man we are so amazed of him and the way in which he conducts himself in wanting to help others.

Music Matters

The Musicorp Program for 2019 is alive and happening at St Carthage's. The children have been busy learning new pieces and techniques on their chosen instruments. We will be holding our mid year Young Performers' Concert during term 2 at a date to be confirmed. Students are already working hard on their performances.

I would like to encourage students to think about playing their instruments for their class, for families and any other opportunity they can have. Performance, aside from giving students confidence, helps in reinforcing a positive effect to their musical learning. For any families interested in joining the Musicorp Program, we have limited spaces available to start in Term 2. If you would like an Expression of Interest form, please pick one up from the office or you can email me at mark@polygongroup.com.au for more information.

Thank you for the continued support from the families and students who are already enrolled.

Music helps students with overall learning, especially Numeracy and Literacy. It develops gross motor and fine motor skills plus helps build coordination, while having lots of fun along the way.

Warm regards

Mr Mark Earl - Musicorp Instrumental Teacher
